Bready Elementary School excited to announce full-time Kindergarten program

At the May 23rd Board Meeting, the Living Sky School Division Board of Education approved a full-time Kindergarten program at Bready Elementary School starting in the fall of 2018. This will align Bready School's programming with the other elementary schools in North Battleford who already offer full-time Kindergarten. The full-time program that focuses on play-based learning will provide children a head-start when it comes to developing literacy, numeracy, social skills and a love for learning.

"We are so pleased to be able to offer a full time kindergarten program this fall. Bready is committed to strong reading, writing, and math achievement, and the foundation for success begins in early childhood. Living Sky School Division Board has and continues to recognize and support the early development of our youngest students, and has aligned kindergarten programming at Bready with other public schools in the city of North Battleford. We are very excited for the fall of 2018." Rhonda Simon, Bready School Principal

Bready Elementary School is a K-6 school located at 9001-17th Ave. W in North Battleford. Their team of dedicated teachers and support staff take pride in providing an environment where students are excited to come to school every day and families are welcomed into a friendly, engaging and collaborative environment. The school offers music/band programming, a core French program and take pride in their strong focus on healthy and active living. In cooperation with the Boys and Girls Club they provide their families with an after-school program and are currently exploring the possibilities of a before-school program as well.

To register your child(ren) at Bready School or to arrange a tour of the school, please contact the school office at 306-445-4954. They would love to hear from you!
