

The

Anne-Marie Merle

Service to Children Award will be awarded each year to a person in the division who has gone "above and beyond" in their service to a child. Anne-Marie liked to recognize those she felt had done something well or special and this award is a way to perpetuate that tradition. Staff, parents and students are encouraged to nominate someone they feel has demonstrated an extra effort or kindness. A small committee will collect the ballots and select the successful candidate or candidates each May. The award(s) will be presented at the Service Recognition ceremony in June. It will be an award only, with no monetary value attached.

Please complete the following to nominate someone you feel deserves to receive this award. There are no strict criteria, other than the candidates have demonstrated exceptional effort to provide service to a child. It is hoped that this award will promote positive relationships and encourage us all to look for the good things people do.
