Welcome to the 2018-2019 school year!

I would like to welcome all students to another exciting school year at North Battleford Comprehensive High School. This year will be packed full of many wonderful opportunities and challenges for all students.

With the start of a new school year, we see so much potential for our students and we hope that everyone takes advantage of the many opportunities available throughout the school year. Along with many academic opportunities, NBCHS offers students the chance to become involved in athletics, the arts, Skills Canada, leadership, and many other clubs and activities. It is our hope that students get involved in the school and make the most of your time at NBCHS.

I would like to encourage all students to accept the many challenges that are presented and to always ‘Strive for Excellence’. As always, it is important to set goals and work hard to achieve them.

Finally, I would like to wish everyone a great year with many successes!

**EXTRA-CURRICULAR FEES**

Students may be charged fees dependent on the activity they join.
INTER-AGENCY SERVICES

Teen Parent Program
In conjunction with the First Steps Student Childcare Centre and student services, a teen parent program runs throughout the school year. This includes sessions of the Nobody’s Perfect Parenting Program, also evening family activities. Contact the Student Services or First Step Child Care Centre.

Public Health Nurse
The Battlefords Regional Health Board allows a Public Health Nurse to hold office hours at NBCHS. Students may drop by the office during spare periods or they may make an appointment at the Student Services Office.

EXTRA CURRICULAR
Students are encouraged to take advantage of the many Extra-Curricular activities provided at NBCHS. There are many different STUDENT ACTIVITIES available to meet the many needs of our students. Students are reminded that for ALL STUDENT ACTIVITIES, the STUDENT comes first. Students must meet their student obligations in order to participate in the activities. These duties include but are not limited to: REGULAR ATTENDANCE, COMPLETION of ASSIGNMENTS, and APPROPRIATE BEHAVIOUR.

RESOURCE CENTRE
The aim of the NBCHS library is to provide a resource-based program which will allow students to acquire the information skills necessary for life-long learning. Our library contains a wide variety of curriculum-related materials that can help teachers teach their subjects and help students complete assignments based on those subjects. Students are encouraged to use the library, not only for study and research, but for the many recreational reading materials available. Students are asked to respect the rights of others using the library; that is to keep the noise level reasonable and return materials on time.

Student Services

Scholarships and Awards
A considerable number of scholarships and awards are available to students graduating from NBCHS. Students are encouraged to apply for scholarships by contacting the Guidance Counsellors. A booklet containing a list of all scholarships and awards is available for students from the Guidance Office. Please read the announcements (and listen to announcements) for a current update of available scholarships.
NBCHS Graduation Awards
The monetary awards given out at the graduation exercises are provided by businesses in the community and from interest earned on family donated (memorial) scholarship funds. NBCHS has a commitment to provide as many students as possible with monetary awards. The awards committee will determine the recipients based on the guidelines established and does its best to give each eligible winner the maximum amount of scholarship or bursary money available.

The NBCHS Student Services Department is organized to help students find solutions to any problems and concerns which they may encounter. These services include the following:

Personal Counselling:
School counselors will assist students and parents if difficulties arise with personal relationships and other matters which may affect behaviour and school performance. Students and parents are encouraged to contact Guidance Counsellors for help to resolve difficulties. All interviews are held in the strictest of confidence.

Drug and Alcohol Counselling
Counselling is provided for students suffering from addictions, as well as students who are affected by family members who use. Harm reduction is also addressed.

School Liaison
The school liaison works as a support for the students and families within the school. This includes helping with attendance, conducting home visits, referring to agencies within the community, the breakfast/lunch program and working to enhance the student’s lives with groups and other programming. This includes the P.A.R.T.Y. Program, Journey to Wellness Group (Partnered with Battle River Treaty 6 and others). Other services may include transportation to appointments, setting up team meetings, organizing awareness days and school speakers. Contact the student services office to connect with the liaison worker.

High School Liaison Officer
The job of the High School Liaison Officer is to bridge the gap between our youth and law enforcement. The Constable provides educational information to our students in the form of presentations in areas such as drug use, community safety, as well as individual counselling and investigations as relates to this position. This is a project that has proven to be an important part of the school community.

Career Counselling
Students may obtain the most recent information on universities, technical institutes, training programs and other post-secondary institutions. Students can also arrange to take an interest inventory which helps them to understand their general work and career interest. The inventory will suggest various career and work options available to individuals.
School Matters
Students can obtain information about the school, guidance in subject time-tabling and suggestions on how to improve their study and work habits. If, for whatever reason, you are experiencing difficulties and problems which are preventing you from getting the most out of your education and school life, see one of the Guidance Counsellors.

SYA
SASKATCHEWAN YOUTH APPRENTICESHIP is a provincial program available to all High School students enrolled in Technical/Vocational courses. Students can earn hours towards post-secondary training in the Trades and also receive many other benefits from being a part of the program. More information is available from the Student Services Office.

Apprenticeship
Allows High School students the opportunity to earn Apprenticeship and Career Work Experience credits while working on a job site. Students are still registered at NBCHS but complete these credits in the community. Students wishing to take part in this program should contact the Student Services Office for further information.
STUDENT CONDUCT CODE

All student conduct should be based upon common sense, respect for all individuals and behavior which is civilized and responsible. We expect all students to follow established school rules. We cannot and will not tolerate defiance of any school authority or acts of violence or intimidation towards others.

NBCHS STUDENT ACCEPTABLE USE POLICY FOR COMPUTERS AND THE INTERNET FOR EDUCATION PURPOSES

1. The NBCHS computer network has been established for a specific educational purpose. The term “educational purpose” includes classroom activities, career development and limited self-discovery activities.

2. The NBCHS network has not been established as a public access service or a public forum. NBCHS has the right to place reasonable restrictions on the material accessed or posted through the system. Students are expected to follow the rules set forth by the law and NBCHS (disciplinary code) on the use of the NBCHS network.

3. Students may not use the NBCHS network for commercial purposes. Students may not offer, provide or purchase products or services through the NBCHS network.

Information about User Accounts for Students and Parents

Student Information
At registration 3 connected user accounts are made per student.

1. Computer Access Account
2. Student E-mail Account
3. Home Logic Account

The username is the student’s firstname.lastname (Any names with spaces or hyphens have had them removed. If the account doesn’t work please contact the Library Staff).

The password is the student’s student number. (The first login prompts the user to make up a new password – 6 characters long or more with no spaces.)

This new User Name and Password is the same for all three accounts: Computer Login, Student E-mail and Home Logic. (If you change your password in any of the 3 accounts, it changes for all.)

Home Logic and Student E-mail access is found at the NBCHS web page
www.nbchs.lskysd.ca/
Parent Information
Parents can use the HomeLogic website to track their child’s marks and attendance. Information about how to gain access to this service is found on the NBCHS Homepage.

*Please also note that each student account is provided with $5 worth of printing at the beginning of the year. (Cost per page: 1¢ for black & white, 5¢ for colour). Any printing above this amount is the student’s responsibility.

Student Internet Access
1. All students will have access to the Internet through their classroom, library, or school computer lab.
2. Access to Internet resources will allow access to web-based e-mail accounts. Procedures and times regarding personal e-mail use will be determined by departments. The school may grant use of NBCHS e-mail accounts when required for a specific classroom related activity.
3. If approved by the school, students may create a personal Web page on the NBCHS System. All materials placed on a Web page must be pre-approved in a manner specified by the school. Students will not be allowed to store personal, non-educational Web pages in the server.
4. The school may at any point limit access to on-line resources.

Unacceptable Uses
1. Personal Safety
   a) Students will not post personal contact information about themselves or other people. Personal contact information includes addresses, telephone numbers, school or work address.
   b) Unless they have their parent’s permission students will not meet with someone they have met online.
   c) Students will promptly disclose to their teacher or other school employee, any message they receive that they believe is inappropriate or makes them feel uncomfortable.
2. Illegal Activities
   a) Students will not use the NBCHS computer network to engage in any illegal act. The school will report illegal activities to the RCMP and co-operate in any investigation related to possible illegal activities.
   b) Students will not attempt to gain unauthorized access to the NBCHS system or to any other computer network through the NBCHS system or go beyond their authorized access. This includes unauthorized attempts to log in through another person’s account or access another person’s files. These actions are illegal, even if only for the purpose of “browsing”. Students are responsible for all activities occurring on their account.
   c) Students will not deliberately attempt to deny services to any users of the NBCHS network. These actions are illegal.
   d) Students will respect copyright laws. If a work contains language that specifies appropriate use of that work, the expressed requirements should be followed. If a student is unsure whether or not a work can be used, permission should be requested from the copyright owner.
3. **Inappropriate Communications**
a) NBCHS reserves the right to restrict content of any public or private messages and any material posted on Web Pages. Students will not use inappropriate language in any communication via the NBCHS network.
b) Students will not send communication that will damage the reputation of any other person, nor will they harass any other person.

4. **Plagiarism**
Students will not plagiarize works that they find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were your own.

5. **Access to Inappropriate Material**
a) Students will not use the NBCHS network to access material that is profane or obscene (pornography), that advocates illegal acts, or that advocates violence or discrimination towards other people (hate literature). An exception may be made for these materials by teachers for the purpose of research. Parents may request alternate topics or assignments.
b) If a student mistakenly accesses inappropriate information, he or she should immediately inform a teacher or staff member. This will protect students against a claim of having intentionally violated the policy.

**Consequences**
Students found abusing or in violation of acceptable use policy may have their privileges limited or removed completely.
ATTENDANCE POLICY

1. UNDER THE EDUCATION ACT, STUDENTS HAVE THE LEGAL OBLIGATION TO HAVE REGULAR ATTENDANCE.
2. PARENTS/GUARDIANS ARE RESPONSIBLE to contact the Administration office when a student is absent.
3. Students with poor attendance habits may forfeit other privileges.
4. Students are responsible for catching up with classroom work missed during their absence.
5. ADULT students and STUDENTS LIVING ON THEIR OWN are legally responsible for their attendance and will report directly to ADMINISTRATION.

STATEMENT OF BELIEF:

The staff at NBCHS believes the following:

• regular attendance is essential to enable students to experience successful development of the provincial and local GOALS OF EDUCATION (basic skills, lifelong learning, understanding and relating to others, self-concept development, positive lifestyle, spiritual development, career and consumer decisions, membership in society, growing with change);
• attendance is the PERSONAL RESPONSIBILITY of the student with the onus on the student to match his/her behavior to the attendance expectations of the school;
• the responsibilities of the school are to encourage regular attendance, monitor student attendance patterns and inform parents and students of attendance problems.
OBJECTIVES: The objectives of the NBCHS attendance policy are:

- to encourage and promote REGULAR ATTENDANCE as a prerequisite for success;
- to have students recognize and accept the RESPONSIBILITY and the CONSEQUENCES for their absence;
- to facilitate COMMUNICATION between the HOME and SCHOOL concerning attendance.
- to encourage students to make a COMMITMENT to stay in school.

LATES
It is the student’s responsibility to be on time for class. Students who are late shall go directly to class. If a teacher considers it chronic lateness or the reason for lateness to be unacceptable, the student may be sent to ADMIN.

STUDENTS LEAVING SCHOOL MID-SEMESTER (after Sept 30)
1. Any student leaving school in mid-semester, MUST see an administrator to obtain a clearance form.
2. The student must have each of the subject teachers and library sign the form and return any books to the teacher and library.
3. Caution fees will be refunded only after we are assured that no books are missing or still charged to the student.
4. Final clearance and refund of caution fees will be handled by the office.

ACCIDENTS
Schools, like any other place, are not accident free. If an accident should occur, it must be reported to the office. If necessary, the family doctor will be called or the student will be taken to the hospital and the parents will be notified.

VEHICLE COLLISIONS WILL BE THE RESPONSIBILITY OF THE DRIVERS AND OWNERS.
STUDENT ATTIRE
Students are expected to support standards of dress reflecting the school’s purpose as a place of learning and work as well as the values and expectations of a school community. Dress so that you will not be asked to change or asked to go home and change. When in question, a referral will be made to the school administration. Standards of grooming and dress are determined from the perspectives of health and safety in all activities, cleanliness and neatness, and decency and respect. Students may be asked to change into more appropriate apparel if they have:

- any exposure of the trunk of the body (front, sides, back, belly)
- visible undergarments
- low slung pants and tanks
- pictures or words on clothing that are indecent or disrespectful to others
- Bandanas must not be worn on school property. They are considered gang symbols and are used by gangs for identification. HOODS must not be worn inside the school building. Staff must be able to see a student’s face for identification purposes. Students must wear appropriate footwear and clothing for indoor activities and physical education.

STUDENT PARKING
PARKING PERMITS are available to Grade 11 and 12 students on a “first come, first served” basis; Grade 9 and 10 students are not guaranteed parking permits. Students are permitted to park vehicles only in designated student parking areas. The school cannot assume responsibility for damages to student vehicles. Students are not permitted to park within the staff parking lots of NBCHS and NWRC Staff. STUDENTS THAT REQUEST HANDICAP PARKING MUST MAKE ARRANGEMENTS WITH THE ADMINISTRATION FOR THIS ASSIGNMENT.

TELEPHONE CALLS AND MESSAGES
Because of the difficulty and disruptions which occur in locating students, telephone calls and messages will be taken only in case of emergency.

TEXTBOOK POLICY
Textbooks, where required, will be provided on loan to each student at the beginning of each semester. The Board of Education cannot carry insurance for loss or theft of personal property. Students should clearly mark or identify all personal possessions so that they may be more easily traced.
STUDENTS VISITING OTHER SCHOOLS

OPEN CAMPUS POLICY
North Battleford Comprehensive High School has an open campus policy meaning students have the choice to go off campus during lunchtime. NBCHS strongly encourages that students in grade 7-9 stay on campus during this time where they will be supervised. Students are expected to follow the rules and laws of the businesses they frequent and the community at large.

CAFETORIUM
Students who stay in the school during lunch hour are required to eat in the designated areas. We ask that all students help keep the cafetorium clean by getting rid of their own garbage, returning the trays, pushing in their chairs, etc.

FOOD, DRINKS AND LITTER ON SCHOOL PROPERTY

I. CAFETORIUM:

   B. Garbage on and around the table must be put in a GARBAGE container, CANS/BOTTLES placed in a RECYCLING container and SOILED DISHES and TRAYS placed on the racks.

II. HALLWAYS:
   To enable us to keep our corridors a clean and healthy environment, we ask that students do not consume food and drinks in the hallways.

III. OUTSIDE SCHOOL PROPERTY:
   A. Students who are observed littering outside will be reminded to clean up the mess.
   B. Students are EXPECTED to dispose of garbage properly and return CANS and BOTTLES to the RECYCLE containers inside the school.

STUDENT PHONE POLICY

2. Students are permitted to carry cell phones but phones MUST be turned off during class time. Students using cell phones during class time will have the phone confiscated and they may have to speak to an administrator in order to have their phone returned.
3. Students are not allowed to video staff or students in class or out of class without the approval of the classroom teacher or the administration. Posting video to the web without administration approval is prohibited for reasons of privacy.
TOBACCO POLICY
NBCHS is a smoke and tobacco free property. Provincial Law prohibits the use of tobacco products on any school property. Students observed using tobacco products on NBCHS shall face disciplinary action. This policy will include the use of any vapour pens or e-cigarettes on school property.

NORTH WEST COLLEGE
North West College shares part of the NBCHS building. NBCHS students are asked to stay on the High School side of the building and not use the NWC entrances/exits.

EVALUATION AND REPORT CARDS
The evaluation and assessment process at NBCHS is continuous, cumulative, and comprehensive. All students will receive a course outline at the outset of each course describing the evaluation/assessment that will be used during the course.

Students in High School courses (Grades 10-12) will receive percentage grades. Students must achieve 50% or higher in order to earn the credit and move on to the next course level. Mastery achievement levels of certain skill sets and tasks may be determined by the teacher and be higher than 50%.

Students in the Middle Years program (Grades 7-9) will be assessed on the 1-4 rubric.

Progress Reports will be issued at mid-term and at the conclusion of the semester. Parents should check HomeLogic regularly (see below). Although parent/student/teacher conferences are held after mid-term evaluation (November and April), parents are encouraged to follow the progress of their children closely and, if necessary, contact subject teachers if concerns arise.

Grade XII Supplemental Exams
Students shall have the opportunity to write a Ministry of Education examination. Ministry prepared examinations shall be written at the next official sitting (e.g. Semester I students may write in January, Semester II students may write in August.) For more information contact the Student Services Office.

HOMELOGIC
Parents and students are encouraged to access marks and attendance through Homelogic on the NBCHS webpage. Please contact the office if you require assistance setting up your account.
